

Asian Hope International SCHOOL

First Quarter

We have just completed our first quarter. Student reports were written, translated, printed and favorably received by parents.

We now have 142 students at school. It has been exciting to be able to give scholarships to 18 students this year. What a blessing it is to be able to offer a quality education to these children.

Cambodia Flood Relief Project

9 out of the 12 provinces in Cambodia were under floodwaters over the past months. The staff and students of AHIS and Logos International School collected money to provide essential food supplies for the Koh Dak province. Together we raised over \$1000.

Job Opportunity

Asian Hope is seeking to hire an administrator to develop and oversee the "After school" and "Summer School" programmes at Logos International School and Asian Hope International School. If you are interested or know of someone who may be interested to find out more about this, please send your questions to and/or email your resume to Dan Hein at dhein@logoscambodia.org

AHIS Scholarship Fund

We continue to look for more funds to provide scholarships for children at AHIS. This year we have 16 children on scholarship and we are trusting God for the funds to meet this need. If you would like more information about how you can be involved, please do contact me at
